\$80K-ADDED AUSTRIAN REINING HORSE ASSOCIATION FUTURITY & NRHA SHOW

From August 19 until 22, the facility of H&D Schulz Quarter Horses in Wiener Neustadt, Austria, will again host one of the most prestigious reining events of Europe: the Austrian Reining Horse Association (ARHA) Futurity and NRHA Show. There is a total purse of \$80,000-added with \$ 30,000-added in the Level 4 Open for 3-year-olds alone. Besides the Futurity classes, there is a full slate Ancillary classes. The first deadline of entries is June 19, 2015

The ARHA Futurity for 3-and 4-year-old horses is open to all horses. There are four levels in the NRHA approved Open 3-year-old Futurity and three in the Non Pro. The Ancillary classes are part of the ARHA Circuit. The judges are Eugenio Latorre, Pierre Ouellet, Adi Wagner, Francois Zurcher and Sylvia Katschker, the equipment judge being Tomas Barta.

Of course, there will be the daily show magazine again: The Score. This magazine has always been highly appreciated by the exhibitors and owners present as well as by internet users looking at the online version on the Futurity website www.futurity.at and on www.westernstar.at as well as in other internet horse media.

The ARHA Futurity has always attracted considerable media attention. Each year, international horse publications report about this event, as do the local media. In 2014, a television team was present during the event which resulted in a 29 minute film, "Feicht on Tour in Wiener Neustadt"

presented on W24 – a channel ranking on 5th in UPC Telekabel after ORF, ATV and Puls4. There was so much positive feedback, that the film was shown eleven times on various days and at various times reaching about 200,000 people (according to Teletest). The online edition via www.feicht.at shows 54,237 visits since its first publication, 3 per cent of them from the U.S.

CRAIG HUFFHINES IS NAMED AQHA EXECUTIVE VICE PRESIDENT

The American Quarter Horse Association has announced that Craig Huffhines, currently Executive Vice President of the American Hereford Association, has been selected to assume the Executive Vice President leadership role for AQHA. Huffhines will begin his new duties shortly after AQHA's convention in March.

Following a five-month, extensive search effort, the six members of the search committee coupled with the AQHA Executive Committee are confident Huffhines, with more than 17 years' experience leading the Hereford Association, possesses the strong leadership skills and experience to move AQHA forward.

After receiving applications from more than 40 interested individuals, Huffhines was tapped as the leading candidate for AQHA's leadership role.

AQHA President Johnny Trotter stated, "The goal of the search committee was how to take the current, accomplished management team here at AQHA to the next level. With the help of Witt-Kieffer, we were able to locate a seasoned, experienced leader as our next executive vice president, who has already proven his ability to lead a major association in the livestock industry."

President Trotter further noted, "I couldn't be more pleased with how the process worked, which resulted in finding such a successful leader in Craig."

Huffhines brings not only his years of experience in the agriculture industry, but recorded success in areas such as turning around a 30-year decline in registration and breed popularity, balancing budgets during lean industry years, developing a new branded-beef enterprise, executing a revised governance structure to meet the demands of the 21st century and reinvigorating interest among youth, also while managing the American Hereford Association staff and growing the Hereford Research and Youth foundations.

Founded in 1940, the American Quarter Horse Association is the largest equine breed organization in the world. With headquarters in Amarillo, Texas, AQHA has a membership of more than 270,000 people in 86 countries and has registered more than 5 million horses in 95 countries.

Reflections

with Ruben van Dorp

Then Jesus said, "Did I not tell you that if you believe, you will see the glory of God?" John 11:40

It is hard to understand the power of believing what God is capable of doing. What He is capable of, not what we are capable of, is what makes miracles possible.

Many of us believe that Jesus performed miracles back then and that He will again in the future; however we doubt that He can do it right here and right now. He is right there, to meet our every need. He is the same miracle working God today that makes all things work together for our good and I love seeing Him at work in so many of my friends lives.

I've seen people saved, marriages put back together, friends healed, joy restored, peace received, victories celebrated, addictions beat, strength renewed, another chance given and hope triumph. The Great I Am was, is and always

will be the same. Believe in Him and He will show you His glory in your life!

Ruben van Dorp grew up in The Netherlands and began training horses over 22 years ago. His equine experience in many different breeds and disciplines led to nine European championships. After relocating to the United States in 2002, he started Vandorp Inc., DBA Vandorp Reining Horses. With his success in the United States, Ruben's current lifetime National Reining Horse Association earnings are over \$625,000. In 2003, Ruben married the love of his life, Melissa. They currently reside in Cross Roads, Texas with their beautiful children, Skylar and Peyton. Ruben and his family are very involved in their church, COC Metro, where he and his wife began and lead the PowerPack Ministry. This program currently feeds over 275 elementary school kids per month who are in need of food on the weekends. Ruben has a passion to share the knowledge of Jesus' saving grace and see lives changed. He was inspired by a friend to write and share a daily devotional via text messaging which he has continued daily for the past two years. If you would like to be added to the text message list, text him at (214) 243-0447.
