GENNARO LENDI WINS ITALIAN REINING DERBY ON MARILYN MONWHOA

The Italian Reining Derby, at Reggio Emilia, Italy May 12-16, was held during the Salone del Cavallo in Reggio Emilia. The event attracted close to 60,000 visitors, over 1,200 horses,

close to 1,300 riders and 160 vendors.

The Derby, with €83,750-added, showcased the sport of reining at its best. Making the finals all the more thrilling were the champions: winning the €32,000-added Derby Level 4 Open were Gennaro Lendi and Marilyn Monwhoa for a score of 224.

Owned by Vittorio Rabboni, the 6-year-old mare by Smart Spook and out of Caramel Creme Command (by Boomernic) was bred in the US by Tammy Thompson Dyer and shipped to Italy for the 2013 NRHA European Derby where she was shown by Lendi. This is the pair's first major win. "I've always believed in this mare and she really deserves this title," said Gennaro following the awards presentation.

Taking reserve honors in the Level 4 division was multiple past NRHA Open World Champion Ann Fonck riding Gunnerlicious for owners Vannietvelt/De Pauw. Aboard the 5-year-old stallion by Gunner and out of Miss Doll, bred by McQuay Stables, the pair closed their performance with a 223.

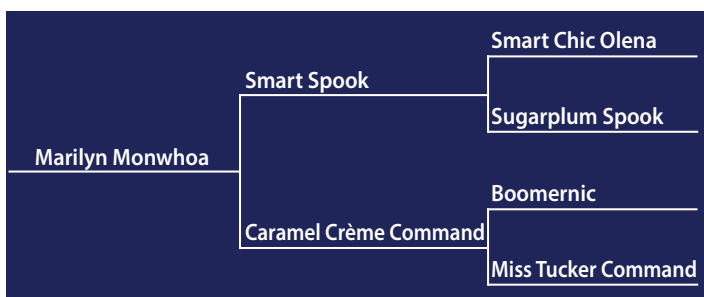

Posting a 220.5 and taking home the €13,500-added Level 3 and the €4,000-added Level 2 Open Derby championships were Massimiliano Ruggeri of Italy and Paolo Morandotti's Mister Little Uno. "I've had this horse in training since he was a 2-year-old and I've always really liked him because he truly has a great mind and is extremely intelligent," said Ruggeri about the 5-year-old stallion by Mister Uno and out of Bonita Bahia, bred by his owner. "Taking home these two titles is a true thrill for me."

Tying for the co-reserve championship in the Level 3 division, with a score of 216, was Davide Brighenti riding two horses: My Good Gun (Gunner x My Paint Wagon), owned by Francesco Bonadeo as well as AB Peppy Diamond (OT Taris San Peppy x Mare Made), owned by Arianna Piacentini, and Pierluigi Chioldo riding Spooks O Lena (Spooks Gotta Gun x Lonesome Sally Lena) for owners Ambrosini Qh.

In the Level 2 division, the reserve championship was claimed by Moreno Sacchi aboard Whiz A Blue (Topsail Whiz x ARC Joy Surprise), a 6-year-old mare bred by Bob Loomis and owned by Le Colombare Quarter Horses. The

Winning the €1,500-added Level 1 Open Derby Championship, with a 214, was Fabiano Cestari with Katharina Schweitzer's Tarysmart, a 4-year-old stallion by OT Taris San Peppy and out of Smart Lady Bug bred by Giuditta Foti. "I was hoping to do better with my horse, who belongs to my girlfriend and who I've always had in training, but am nevertheless pleased with this title," said the Italian rider.

Tying for the co-reserve championship in this division with a 212.5 were Andrea Bonadomane and BB One Miracled Gun (One Gun x Arc Chico Please), owned by Mario Cortelletti and Peter Pichler riding Skeets Plays Drum (Skeets Dun x Antar Style) for owner KN Reining Resort.

Nicole Huebner and Starstruck Tag sweep the Non Pro Derby

Draw 31 in a field of 38 finalists, Nicole Huebner of Germany thrilled the crowd aboard her Starstruck Tag, a 5-year-old gelding by Whiz N Tag Chex and out of Marilyn's Benz. Her score, a 219, earned her an incredible all four levels of the €28,500-added IRHA/NRHA Non Pro Derby.

"My horse, as always, was fantastic for me tonight," said the young lady reiner about her mount aka 'Dino.' "I have to give credit to my trainer, Cody (Sapergia), for preparing him for me and to all our team. This is the first time that I made the finals with my horse and it's the very first time showing here at the Italian Derby. I couldn't be happier."

Earning the reserve championship in the Level 4 and Level 3 divisions was Roberta Giongo. Aboard MTK Flipper (Mr Tori Kid x SGA Miss Dual Flip), a 5-year-old stallion owned and bred by Roberta and her husband, Renzo Canciani, Roberta posted a 212.5. "Every time I've shown this horse I've been in the winner's circle," said Roberta. "Being by our stallion, and considering the fact that this horse is so much like his father, I am twice as happy."

IMPORTANT NEWS FOR REINERS ATTENDING NRHA DERBY!

Oklahoma Issues New Livestock Entry Requirements – Have Health Papers in Order

As of May 13, Oklahoma issued emergency import requirements for livestock (equine, bovine, porcine, caprine, ovine or cervidae) entering the state from a county where vesicular stomatitis has been diagnosed within the last 30 days or a county that contains a premise quarantined for vesicular stomatitis. Such horses must be accompanied by a Certificate of Veterinary Inspection (CVI) dated within five days of entry containing the following statement:

“All animals identified on this certificate have been examined and found to be free from signs of vesicular stomatitis and have not originated from a premise which is under quarantine for vesicular stomatitis.”

The CVI shall be completed by an accredited veterinarian from the state where vesicular stomatitis has been diagnosed and shall be obtained prior to each entry into Oklahoma. This includes re-entry of Oklahoma-origin animals that have traveled to a state with vesicular stomatitis.

Counties in states with vesicular stomatitis & effective date:

- Maricopa, Arizona – May 1

- Kane, Utah – May 1
- Yavapai, Arizona – May 13
- Grant, New Mexico – May 15
- Pecos, Texas – May 18

Michael Herrin, DVM, Assistant State Veterinarian, Oklahoma Department of Agriculture, Food, and Forestry, noted, “We currently do not have any movement restrictions or testing requirements regarding Equine Herpes Virus (EHV).”

He continued, “We share your concern given the recent news of two EHV positive horses at a reining competition in Illinois. We rely on the state officials in Illinois to investigate the situation and institute movement restrictions on exposed horses.”

The situation with Vesicular Stomatitis or EHV can change quickly, please check back or review <http://ag.ok.gov> as your trip approaches for up-to-date information.

CLASSIC EQUINE 4D REINING COMPETITION SET FOR 2015 NRHA DERBY

The National Reining Horse Association has added the Classic Equine 4D Reining competition for exhibitors entered in the Youth, Novice Horse Non Pro, Amateur and Green Reiner classes on June 21 at the 2015 NRHA Derby.

The 4D jackpot method is a new innovative concept in the reining world, and was first introduced at the 2012 NRHA Cowtown Classic in Fort Worth. It utilizes a four-division scoring system (1D, 2D, 3D, and 4D) with the highest score being the 1D winner. That highest score determines the winning scores of the three other divisions.

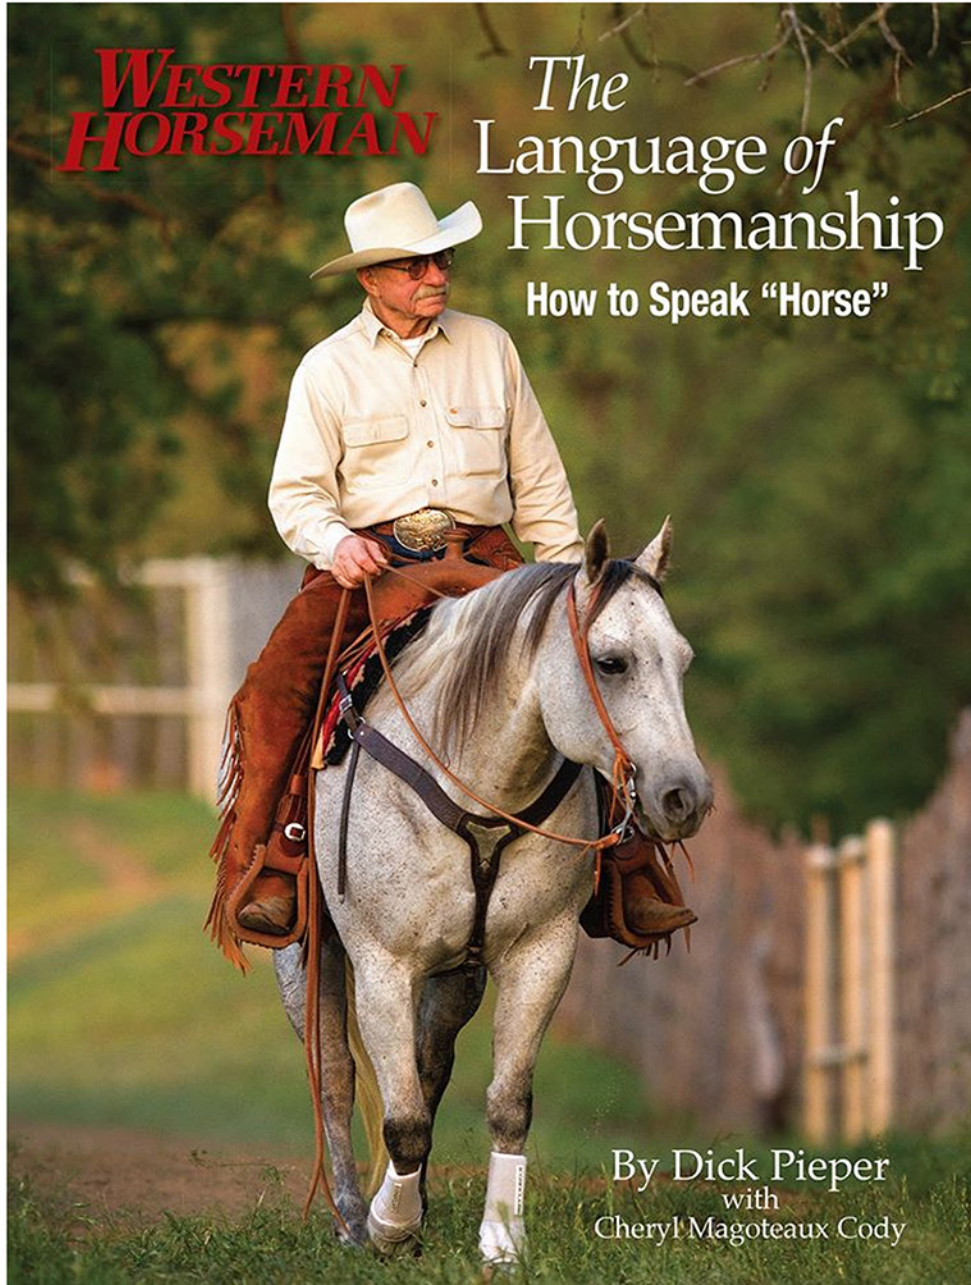

This spreads winnings across four competitive levels, based on the level of competition that day and without the need for pre-determined class eligibility

The division breaks are determined using the highest score as follows: 2D is the highest score minus 3 points, 3D

The 4D reining is slated to run concurrently with the Youth, Novice Horse Non Pro, AQHA/APHA Amateur, and Green Reiner classes. Exhibitors must enter a concurrent class to be eligible to enter the 4D Reining, and the entry fee is only \$20.

Exhibitors competing in these classes at the NRHA Derby can enter the 4D portion for an additional \$20 by noon, June 20. The 4D portion will be run concurrently during those classes. Entry forms and conditions for the 4D are available at nrhaderby.com.

MAGNUM CHIC DREAM REACHES \$3 MILLION SIRE STATUS AT 2015 NRBC

There is always plenty of excitement at the National Reining Breeders Classic but in 2015 there was added anticipation. According to NRBC Secretary-Treasurer Cheryl Cody, the NRBC Media Office was tracking the earnings of one special NRBC enrolled stallion in hope that he would surpass the \$3 Million Dollar Siring mark at the event.

“We knew he was close, based on the latest earnings we had from the National Reining Horse Association,” she noted. “We also knew there were unreported results still out there. At the show’s end, even though we were convinced he had done it, we couldn’t announce it because there were some show results that had not yet reached the NRHA Office.”

By mid-May, all questions were answered when the NRHA confirmed that Magnum Chic Dream had indeed gone over the \$3 Million mark during the Katy event! NRBC President Tom McCutcheon noted, “We congratulate his owners, Jack and Viola Scott. The Scotts have been long-time supporters of the NRBC and we’re proud that this milestone event happened during the show.”

From the beginning, the 1996 stallion was a crowd favorite. Bred by Guy Du Ponchel of France and is by Smart Chic Olena and out of Sailin Barbee by Topsail Cody, he quickly emerged as a show horse deluxe. When his name

was announced people would hurry to the pen to watch, waiting for his explosive spins and beautiful moves.

He was ridden first by Patti Brownshadel to an NRHA Futurity Open finalist slot and the NRHA Derby Limited Open Reserve championship. The next addition to his list of laurels was the 2004 AQHA Senior Reining World title with NRHA Professional Casey Hinton.

When the time came to test Magnum Chic Dream as a sire, his sons and daughters quickly proved that they had inherited their sire’s explosiveness and trainability. They also began collecting an expanding array of championships and earning large prize checks.

Magnum Chic Dream became a National Reining Horse Association \$1 Million Sire in 2011, then just two years later surpassed the \$2 Million Sire designation. Now, with the earnings of his foals at the 2015 National Reining Breeders Classic, he has become the tenth-ever \$3 Million Sire! According to the NRHA, his top money-earners include:

- **Taris Dreamer** – NRHA LTE \$170,855, 2009 gelding (Taris San Cutter by Doc Tari) owned by Ron Thompson, Whitesboro, Texas
- **Lil Magnum Jessie** – NRHA LTE \$166,200, 2006 gelding (Lil Ruf Jessie by Lil Ruf Peppy): owned by Casey & Kathy Hinton, Whitesboro, Texas.
- **Chicsdudreamin** – NRHA LTE: \$149,300, 2007 gelding (Goody Goody Dun Drop by Hollywood Dun It), owned by Betty Schroeder, Gatesville, Texas.
- **Magnum With A Dream** – NRHA LTE \$128,200, 2005 stallion (Shine On Sayo by Shining Spark) owned by Joshua Visser.
- **This Chicsdudreamin** - NRHA LTE \$124,600, 2004 mare (Hermosa Dun It by Hollywood Dun It) owned by George Lawrence, Gainesville, Texas.

- **Dreamy Little Sailor** – NRHA LTE \$108,100, 2002 gelding (Enjoy A Lena x Gay Bar Lena) owned by Morris Kulmer, Bountiful, Utah.

Through all his success the exceptional stallion has been supported and loved by his owners. There are no more avid reining fans and supporters than the Scotts and faithfully attending just about every major event to watch Magnum's offspring excel in all aspects of reining competition has been a tremendous joy.

Along with the pride in the accomplishments of their stallion, the Scotts value the friendships they've made in the reining industry and credit those relationships as a factor in his success. Viola noted, "We have to say a special thank you to all who have bred, competed and been a part of this journey, we are so proud!"

FLY WARS

By Cheryl Cody

In stalls, corrals and pastures, horse owners battle a variety of insects that make horses' lives miserable. Luckily, modern fly controls are varied in type, strength and formula and they have become more effective and considerably safer and easier to use than many of their predecessors.

Summer is nearly here and the onslaught of pesky, biting, disease-spreading flies is beginning. Get ready for battle and arm yourself with an overall campaign to kill and repel insects that includes both products to protect the horse and those that treat the effects or damage of flies. You'll find there's a high-end and a low-end in fly repellent products.

In most cases, fly products that have more active ingredients and synergists will kill and repel more species. They cost more but will have a longer-term efficacy. In other words, with most major manufacturers, the more expensive products are priced higher because they contain more of the active ingredients that work.

So, should everyone use the "top of the line" products? Not necessarily --- because people's needs vary, but not in the way you might first think.

For example, it's natural to assume that horse owners with show horses in fine barns will need the high end product and that the weekend pleasure rider will be best suited with the less expensive variety. But that may not be an accurate assumption.

Consider the show horse, who spends his time in a stall in a barn with a fly control system that dispenses a premise spray so there are almost no flies in the barn. The horse is worked and washed daily. When showing or working, the owner can use a short-term product that will be effective during his time in the arena. After all, the horse will be shampooed after, anyway.

Conversely, a weekend rider whose horse is out in the pasture all week should choose the top-end, most effective treatment because the treatment must keep working so much longer; it's the same for broodmares.

But, keep in mind that no fly product lasts indefinitely. The chemicals in all fly sprays dissipate over time, no matter whose product it is and the repellent qualities do not last as long as the kill factor.

This can be confusing. After the repellent factor dissipates, people see flies getting closer to the animal, but they don't realize that after the flies briefly touch the horse, they may go off and die. So even though the product is still working, unless you understand how it works, you might be disappointed.

That's the reason some people have the idea that nothing kills flies. They see flies on the horse after they've treated

it, so they use a less expensive item on the premise that nothing works anyway.

For repellency in the pasture, Fly Guard is a break-away collar with insecticidal strips attached, that works something like flea collars on dogs and lasts for 4-5 months.

Feed-through fly control contains larvicides that pass through the horse's system and are deposited in the manure where they kill stable and fly larvae for up to six weeks.

For barrier protection, there are horse fly masks that come in assorted colors and sizes, as well as ear protection covers. Both are fine mesh products that can have horses looking like outer space monsters. You can buy the masks with the ear covers built in or purchase them separately. Once the face and now ears are covered, the owner might want to use a fly sheet that protects the horse's body from flies as well as preventing coat fading and bleaching.

Reflections

with Ruben van Dorp

Matt 5:18 “For assuredly, I say to you, till heaven and earth pass away, one jot or one tittle will by no means pass from the law till all is fulfilled.”

Can you trust the bible? Yes, every word of it. If He said it, you better believe it. It's ok to disagree with the bible, as long as you know you are wrong. The bible is not an historic document, it is HIS story; the story about salvation. It is as relevant today as it was back then and it will be until the very end of time. You read it and it will come to life right in front of you, you never read the same thing twice, never read any of it the same way. It never gets old, always challenges you and never finishes teaching. This is not a book written by men about God, it is Gods word written through men. In fact when heaven and earth are replaced by a new heaven and earth, the Word of the Lord will have ac-

complished its purpose and will be fulfilled in every detail even to the very letter.

Ruben van Dorp grew up in The Netherlands and began training horses over 22 years ago. His equine experience in many different breeds and disciplines led to nine European championships. After relocating to the United States in 2002, he started Vandorp Inc., DBA Vandorp Reining Horses. With his success in the United States, Ruben's current lifetime National Reining Horse Association earnings are over \$625,000. In 2003, Ruben married the love of his life, Melissa. They currently reside in Cross Roads, Texas with their beautiful children, Skylar and Peyton. Ruben and his family are very involved in their church, COC Metro, where he and his wife began and lead the PowerPack Ministry. This program currently feeds over 275 elementary school kids per month who are in need of food on the weekends. Ruben has a passion to share the knowledge of Jesus' saving grace and see lives changed. He was inspired by a friend to write and share a daily devotional via text messaging which he has continued daily for the past two years. If you would like to be added to the text message list, text him at 214-243-0447.
