NATIONAL REINING BREEDERS CLASSIC INTRODUCES REINER KIDS ACADEMY FOR 2015

Early on, the National Reining Breeders Classic began to offer kids' activities for various special occasions. By last year, these sessions were taking place daily and their popularity has resulted in an expanded program for 2015, the NRBC Reiner Kids Academy.

"We are pleased to announce that we are growing our kid's program at the NRBC," NRBC Secretary-Treasurer Cheryl Cody stated. "This year, Bess Bouley will come on board to provide daily Reiner Kids Academy sessions for kids, age ten and under."

Bouley, from Maple Plains, Minnesota, began her career working with kids in a special education program and has nearly thirty years experience in child care and preschool. Cody noted, "Her innovative and fun approach to learning is one that we feel will fit well with the NRBC. For years her Rainbow Daycare and Preschool was a mainstay for her area and we are thrilled to have someone with her experi-

Bess Bouley

ence to run our new NRBC Reiner Kids Academy!"

Bess is excited about this new venue. "My goal has always been to provide a safe and educational environment where I can

help children grow and become comfortable in their independence. Even away from home at a show, we want the kids and their families to feel cared about and have something special to look forward to each day."

Cody concluded, "I think the kids will have so much fun with Bess. She really understands the challenges of carving out special time for younger kids within the fast-paced show environment because she has deep roots in the horse business. Not only is she NRBC Vice-President Colleen McQuay's sister; her son Nate Bouley is an integral part of Equine Promotion, which provides video services for the NRBC!"

The sessions will begin daily. Each session will include a craft project, physical activity and fun learning activities.

The Kids Academy sessions will be held in the covered Pavilion area between the outdoor warm-up arenas and NRBC sponsor WorldWide Slide will set up a kids' play and activity center in that area that will be open to the kids both before and after the sessions.

For nearly two decades, the National Reining Breeders Classic has been the reining industry's most successful stallion incentive program. It has grown to include upwards of 225 subscribed stallions and annually enrolls well over 2,000 foals. For information on the NRBC, visit the web site at www.nrbc.com, e-mail to nrbc@nrbc.com or call 580-759-3939.

SOUTHWEST REINING HORSE ASSOCIATION ACHIEVES GOLD LEVEL AFFILIATE STATUS

The Southwest Reining Horse Association was notified by National Reining Horse Association Senior Coordinator of Affiliates and Events Megan Lundquist in mid-February that it has achieved 2014 Gold Level Affiliate status.

According to the Southwest Reining Horse Association, Savanna Robbins of the SWRHA Office worked closely

with NRHA personnel to assure that all requirements were met for the designation – the highest an affiliate can reach.

The Affiliate status program was begun in 2006 to encourage NRHA Affiliates to increase their involvement and to acknowledge those that achieve a level of excellence.

Reflections

with Ruben van Dorp

You guide me with your counsel, leading me to a glorious destiny. Psalm 73:24

God is for the weak... So true; I am weak, and God is strong! He has done something in me and for me that I could never have done myself.

Even though I am not skilled to understand God's will and God's plans, I know we can always trust in His promise to make all things work together for the good of those that love Him. Bad things can, and will, happen to good people. Life hurts sometimes, real pain, real struggles. We don't know why things happen to us the way they do. It is easy to praise God when life is great, when your marriage is strong, when your family is healthy, when your bank account is full...

Some of the hardest lessons in life cannot be learned unless you live through them. Sometimes you need to lose everything in order to gain what is worth having. However, God always gives more than He requests.

He requests repentance and gives you salvation. He requests what you can't hold on to and gives what you cannot lose, limited time for eternal life!

Thank you Jesus for the lessons in life. Thank you for making dreams we didn't even know we had a reality. Thank you for taking our past and giving us a future, for giving us beauty for ashes, joy for mourning and praise for heaviness.

Ruben van Dorp grew up in The Netherlands and began training horses over 22 years ago. His equine experience in many different breeds and disciplines led to nine European championships. After relocating to the United States in 2002, he started Vandorp Inc., DBA Vandorp Reining Horses. With his success in the United States, Ruben's current lifetime National Reining Horse Association earnings are over \$625,000. In 2003, Ruben married the love of his life, Melissa. They currently reside in Cross Roads, Texas with their beautiful children, Skylar and Peyton. Ruben and his family are very involved in their church, COC Metro, where he and his wife began and lead the PowerPack Ministry. This program currently feeds over 275 elementary school kids per month who are in need of food on the weekends. Ruben has a passion to share the knowledge of Jesus' saving grace and see lives changed. He was inspired by a friend to write and share a daily devotional via text messaging which he has continued daily for the past two years. If you would like to be added to the text message list, text him at 214-243-0447.

IT'S A GRIND

A vexing problem for a horse owner can come when the vet gives him or her medication in tablet form. Most horsemen have attacked a pile of pills with a hammer, only to hit off center and have them leap off the counter, at which point the next few minutes are spent crawling around on the floor to retrieve them.

Here are a couple of workable alternatives to that finger-bruising hide and seek technique of crunching up pills.

1. Place pills on a piece of wax paper, then cover with another piece of wax paper.
2. Use a rolling pin, or the standby hammer, to grind them into a consistency that will mix with feed.

The handiest kitchen implement for coffee-crazed horse people can also be used as the quickest pill grinder in the business.

1. Put the pills in the coffee grinder and start the grinding mechanism. You might have to agitate the grinder while grinding to make sure small pieces of pills all get ground.
2. The ideal grinding level will depend on your horse's ability to pick out minute pieces of medicine. For dedicated picky eaters, a powder-like consistency is toughest to avoid.

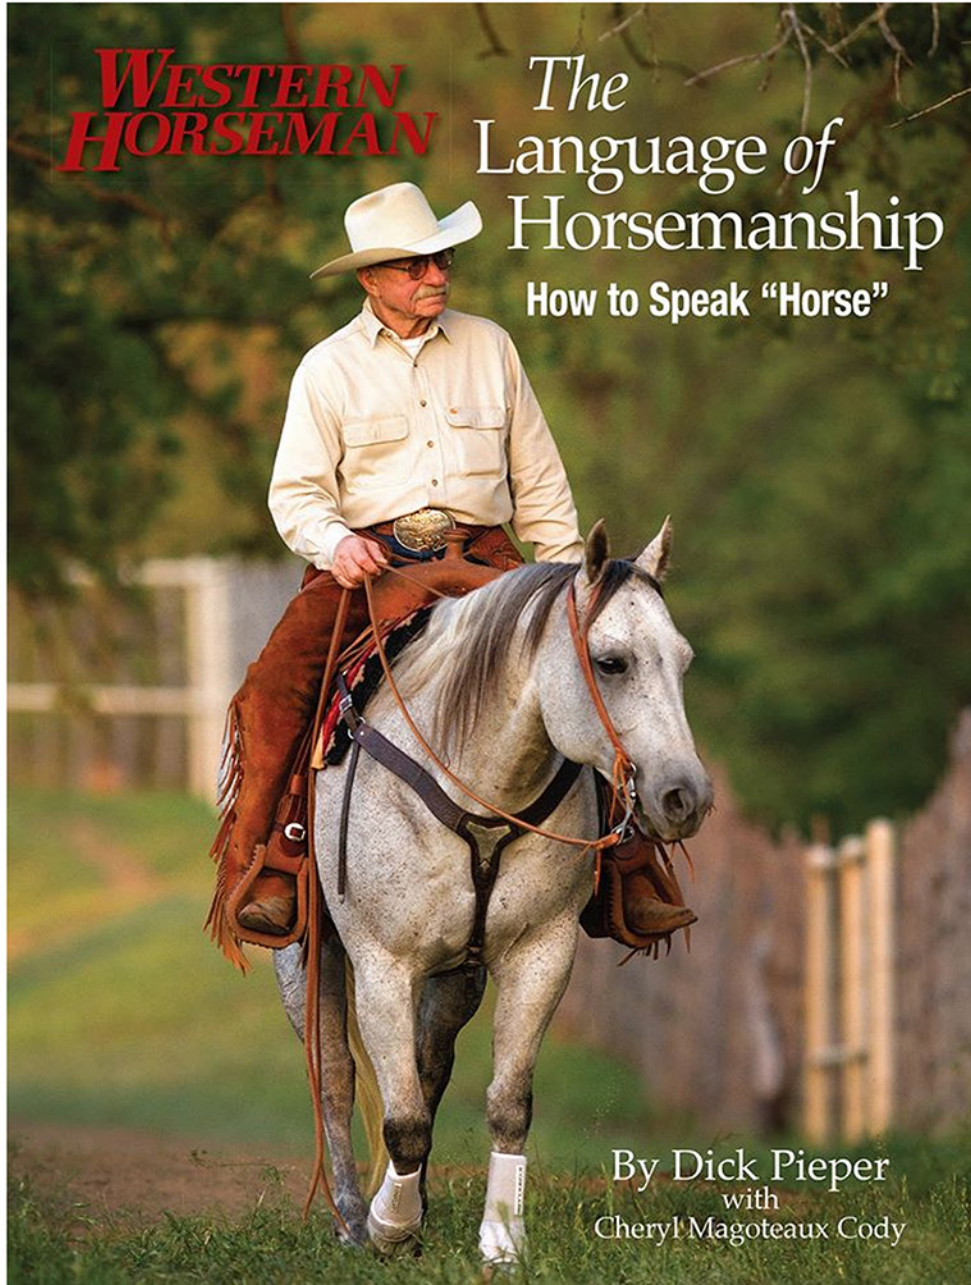

Of course, if you really want to be organized, you can take this whole process a few steps further.

1. Pour the ground-up dose into a re-sealable plastic bag.
2. Seal and label. If necessary, you can make up a whole week's doses at once and have ready to add to each feeding.

2015 NRHA DERBY UPDATES

The first payment of \$910 for Open entries must be post-marked by March 1 to avoid late fees. This first payment includes half the entry fee plus the judges fee. The Non Pro entries must be paid in full by May 1 to avoid any late fees.

Improvements to this year's event include:

- Reduced cost to transfer from the Non Pro to the Open Derby after the first go-round
- Addition of a Prime Time Open division for levels 1-3
- Increased money to the Prime Time Non Pro division
- The addition of a Youth Non Pro final, as well as increasing added money to the division

In addition to world class reining competition, the NRHA Derby plays host to both the NRHA General Membership Meeting and the NRHA's Annual Awards Banquet & Hall of Fame Inductions. The Banquet takes place earlier this year - on June 20, and the Annual General Membership Meeting will be at 2 p.m. on June 21 in the Sale Arena at Oklahoma State Fair Park in Oklahoma City.

All horses must be nominated to compete in the NRHA Derby. Owners still have a chance to do so; see the [Nomination Conditions](#) for complete details.
