THE GUNNER LEGACY CONTINUES

Colonels Smoking Gun Passes \$6 Million Siring Mark

Colonels Smoking Gun, the horse the whole world knew simply as Gunner, continues to achieve even a year after his death. In May it was announced by the National Reining Horse Association that Gunner had passed the \$6 million mark as a sire, making him the fifth horse in history to ever do so.

He also became the only horse in the NRHA's Top Five All-time Leading Sires List to reach that milestone with less than 500 performers. With only 446 foals competing, his average earnings per foal is \$13,492, the highest of any horse in the NRHA's Top Five Leading Sires.

Exceptional achievement and exemplary performance have been hallmarks for Gunner since he made his center-stage debut at the NRHA Futurity in 1998. He was bred by Eric Storey of Henagar, Alabama and was by Colonel-fourfreckle (Colonel Freckles x Miss Solano) out of Katie Gun (offspring have earned more than \$554,000 in NRHA competition). At the 1998 Futurity, the reining world fell in love with the diminutive sorrel with the floppy ears and white tail and from then on, when he was shown, the cheers

would begin from the time he appeared in the alley to compete. After tying for the NRHA Futurity Open Reserve title as a 3-year-old, his winning ways continued and he went on to win the US Equestrian Team Reining Championship in 2001. He was immortalized as a Brever Horse and retired by then-owners Kim and Deborah Sloan with earnings over \$177,000.

Tim and Colleen McQuay purchased Gunner in 2005, and in those ensuing years, his siring record elevated him to even greater status. His most outstanding get list is led by the incredible Tinker With Guns (Gunner x Tinker Nic

by Reminic) with lifetime earnings of \$344,100. He was bred by Rancho Oso Rio, LLC and owned by Silver Spurs Equine. Tinker with Guns was a 2009 NRHA Futurity Level 4 Open finalist, 2011 NRHA Derby Level 4 Open Champion and NRBC Level 4 Open finalist, and the 2012 NRHA Derby and NRBC Level 4 Open Reserve Champion.

Americasnextgunmodel (Gunner x Cee Dun It Do It by Hollywood Dun It) had lifetime earnings of \$259,800. He was bred by David Silva, Sr. and owned by Arcese Quarter Horses USA.

Americasnexgunmodel won the 2012 High Roller Reining Classic Futurity Level 4 Open Championship, the 2012 NRHA Futurity Level 4 Open Championship, and 2013 NRHA Derby and was third at the NRBC.

Gunners Special Nite (Gunner x Mifs Doll by Mifilena) earned \$219,700. He was bred by Kim and Debra Sloan and owned by Turnabout Farm, and became the first reining horse to be honored with the USEF Horse of the Year award. Other honors include: 2007 NRHA Futurity Level 3 Open Champion and Level 4 Open Reserve Champion; 2008 and 2009 NRHA Derby Level 4 Open finalist; 2009 and 2010 NRBC Level 4 Open finalist; and 2010 Alltech® FEI World Equestrian Games™ Individual and Team Gold Medalist.

Gunnatrashya (Gunner x Natrasha by Trashadeous) was bred by Katarina Dorminy and owned by Arcese Quarter Horses U.S.A. With lifetime earnings of \$218,000. He is the 2009 NRHA Futurity Level 4 Open Champion and All American Quarter Horse Congress Reining Futurity Level 4 Open Champion. In 2010 he won the NRHA Derby Level 4 Open Championship.

Gunner lost his battle with laminitis on July 8, 2013. He was 20 years old when he was humanely put down and laid to rest at McQuay Stables near Hollywood Dun It. But his most recent milestone is an indication that it will be a long while before he is forgotten in the reining world.

Dave Silva has had success breeding to Gunner. He raised Americasnextgunmodel, and he also bred and raised Gunnerstinseltown (Gunner X Miss Tinseltown), currently being shown by Sam Schaffhauser. Schaffhauser, who works for McQuay Stables, has had an opportunity to ride a lot of Gunners. He notes, "Most all the ones I've ridden have been talented and good-minded. With some you have to be more patient, but the talent is there."

As far as riding Gunnerstinseltown, it's been "sweet." He says, "He's by far the best horse I've ever sat on. He's good-minded and does all the maneuvers with ease and every time I get on him, he's ready to show."

For Sam, the young stallion has been a career-enhancing ride. "I started showing him at the High Roller Classic in Las Vegas last year in September and he scored a 223.5. Then he won the Level 3 at the Cactus Classic and he was great this year at the NRBC."

He looks forward to continuing to show him. "He's the same horse every day. He just comes out and goes to work."

Casey Deary has great success on Gunners, including Americasnextgunmodel, the 2012 NRHA Futurity Level 4 Open Champion. "I've ridden a lot of them and the first thing you find is that they do the hard stuff really really, easy! Turning and stopping came so easy – that you spend time with the easier things – like lead departures, circling and lead changes."

He continues, "Most of them that I have ridden have been really big stoppers. One thing I noticed – whether or not they are deaf, they still seem like you have to be slow to their chin – if you get quick-handed they don't take it."

"So you want to be slow and have equipment that works slow – whether that's how they process the information or just me, I just know that it seems like the slower you are, the better they are!"

He adds, "Americasnextgunmodel is deaf and I've ridden a lot of deaf ones and I really don't do a lot different on them. Most of the time, you just ride them the same."

Deary has some Gunners he's certainly looking forward to riding. "We have a yearling colt, a weanling filly and a 3-year-old that is a full brother to Gunners Special Nite. "He won't make the futurity this year as he had to have colic surgery, but he'll be a derby horse."

"Personality wise – all the ones I've ridden have been good minded – but sometimes a little quirky. Maybe that's from not being able to hear."

Because of top trainers who want to ride Gunners, the Gunner legacy continues. Two Million Dollar Rider Tim McQuay notes, "For us to see him still being a major factor in reining horse industry is a great feeling. We are very proud of what he has done."

With three more years of a full foal crop (representing the breeding seasons of 2010, 2011, and 2012) and a partial breeding season in 2013, there should be many more laurels and accomplishments. Tim notes, "2012 was his biggest breeding year, so there are a lot of them out there."

Besides his performers, another mark of a great sire comes in the form of the breeding animals he produces.

Million Dollar Rider Tom McCutcheon, who has won more

www.continentalsaddlery.com

than his fair share on Gunners, noted, "A lot of studs sire winners but they don't sire other studs of significance. I think Gunner's foals will have a huge impact as breeders."

That's certainly what the McQuays are counting on – they bred Gunner to their band of Hollywood Dun It mares with great success

and Tim notes he is now breeding his Gunner daughters to the new McQuay stallion, Yellow Jersey, for just that reason. He adds, "Gunner is already doing a lot like Dun It - his foals are now producing show horses."

Casey Deary agrees, "Tim has been so successful crossing Gunner on those Dun It mares. The Dun It mares I've ridden are a little more feely and Gunner complimented that." He pauses, then adds, "Actually, he's crossed real good on just about anything and climbed the ladder even more. Gunner marks them with a special look when they walk in the show pen. Even with him gone, he'll still be a dominant force, for sure. The Gunner mares are going to produce really good – they will still throw the like characteristics!"

Right now, Gunners are very much considered, in the words of a Lyle Lovett's song, "A Good Ride." For example in the upcoming World Equestrian Games, Smoking Whiz, which was ridden by Andrea Fappani to a berth Team USA, is out of a daughter of Gunner (Topsail Whiz X Glendas A Smokingun by Gunner). Jordan Larson's HF Mobster is a son of Gunner (Gunner X Dun Its Black Gold by Hollywood Dun It) and Troy Heikes' horse, Lil Gun Dunit (Colonels Lil Gun x Hollywood Baby Dunit by

Hollywood Dun It) is by a son of Gunner.

In the last two decades, Gunner's exemplary accomplishments and exceptional star quality have never waivered and the future is still incredibly bright for one of the most exciting luminaries ever to shine in the reining world.

QUARTER HORSE NEWS RETURNS AS TULSA REINING CLASSIC STALLION AUCTION SPONSOR

The Tulsa Reining Classic, scheduled for August 26-31, has become an essential stop along the fall reining show trail. It is quite a lucrative venue for futurity and derby horses with innovative classes and exhibitor-oriented scheduling. As if that weren't enough, it's also the site of the National Reining Horse Association's South Central Region Affiliate Finals.

With entries climbing past the 2,000 mark and a total payout last year of over \$337,000, the show continues to evolve. According to Colleen McQuay, Co-Founder of the Global Reining Sport Group which produces the event, its continued success is due in large part to the support of great sponsors, like Quarter Horse News.

McQuay explains, "Quarter Horse News came on board as the title sponsor of our Quarter Horse News Tulsa Reining Classic Stallion Service Auction in 2012, and we are privileged to continue our relationship with them in 2014. The publication is a valuable tool in the reining world and having the support of the Quarter Horse News team contributes greatly to the success of the show."

Amanda Johnson, Cowboy Publishing Group Marketing Manager, was equally positive about the relationship between Quarter Horse News and the Tulsa Reining Classic Stallion Auction. "We are proud to support one of NRHA's top ten reining events and the industry's stallion owners who evaluate and create the best equine athletes in the reining world."

The stallion auction regularly features some of the most elite stallions in the reining industry. It begins on August 1

and concludes on August 30, giving mare owners plenty of time to plan and prepare for the next year's breeding season.

Bidders may bid both online at www.tulsareining.com and in-person at the Ouarter Horse News Tulsa Reining Classic Stallion Auction display at the show.

McQuay added, "We also appreciate the support of stallion owners who choose to be a part of this auction. Because of their participation, we try to keep the stallions in the forefront during the show."

Stallions are heavily promoted during the event as well as prior to and after the show and stallion owners who donate a breeding receive sponsorship benefits at the event. Thanks to Ouarter Horse News, each stallion is entered to win one of two stallion promotion packages valued at nearly \$5,000 that contains both print and electronic advertising.

For information on the auction and a list of stallions, or to learn more about the Tulsa Reining Classic, visit the web site at www.tulsareining.com.

The leading source for news in the western performance world, Quarter Horse News is a staple for any serious reining participant or fan for event coverage, profiles and in-depth reporting on issues that impact the industry.
